MATERIALS
Cast bronze, hand-blown glass

BULBS
E26 / 110v / 5w / 2700k / dimmable LED
E27 / 220v / 9w / 2700k / dimmable LED
Maximum Fixture Wattage: 60w

UL, cUL (120V) Certified

Inspiration

This sconce is inspired by the 16th-century caged glass lampioni of Murano. Capturing the moment between containment and escape, inhale and exhale, cushiony mouth-blown glass strains against and surges through a rigid, but softly rounded, sandcast bronze cage. Each becomes an expression of balance between structure and suppleness, evoking the human body and breath.
