

Bright Side 2

ALLIED MAKER

CEI-029

DESCRIPTION

A modern chandelier with sculptural balance and subtle warmth.

Two hand-bent brass arms arc outward from a precision-machined hub, each holding a piece of studio-blown glass in our signature dome and globe forms.

This fixture brings architectural presence to dining rooms, living spaces, entryways - anywhere that needs a clean, refined statement. Made from solid brass and crafted with care by expert makers.

Made to order in New York.
