Temple Long 30"

ALLIED MAKER

WAC-107

DESCRIPTION

The Temple Tall is an elongated wall sconce featuring a racetrack shaped alabaster form set within a series of concentric stepped wood frames in solid walnut. The natural character of the alabaster diffuses light with a warm, luminous glow, while the rhythmic stepped profiles of the surrounding hardwood frame add depth and dimension. At 30" in length, the Temple Tall brings architectural presence to any surface it occupies. Available in all Allied Maker hardwoods and wood finishes.
