

CHAINSAW COUNTER STOOL

Each stool stands 25" tall and is one of a kind and-carved by designer Gregory Buntain. Extracted from large salvaged timbers, the levity of the shape offsets its heft, creating a moment of lightness in a room. Its organic form is expertly finished with a smooth seating surface that reveals the cross-section of the tree

**Material & Finish**

Made from reclaimed domestic oak. Finished with a durable high traffic lacquer in black with custom colors available

**Special Notes**

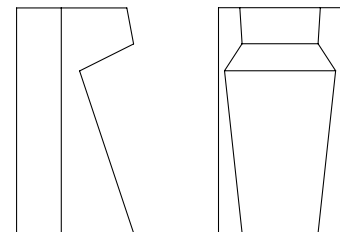

As each piece is unique, dimensions and design may vary slightly from piece to piece but the overall seating height is always consistent

**Lead Time**

16 - 18 Weeks

**Starting List Price**

\$3,200 - Black  
\$3,450 - Custom Colors

**Standard Dimensions**

13"L x 13"W x 25"H\*

\*Approximate Dimensions as each piece is unique
