

PILLAR DINING TABLE

The Pillar is a study in balance. The hardwood top is supported by a metal pedestal base. With bevels and connections inspired by traditional wood joinery, the robust components of this base are precision machined from steel with mechanical connections that allow for onsite assembly

Material & Finish

Bleached maple, hard maple, lightened white oak, white oak, walnut or ebonized walnut can be paired with a variety of metal finishes for the base including, vintage brass, oil rubbed bronze and mottled nickel or brass

Special Notes

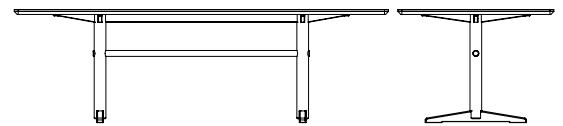

Table assembles onsite for ease of transport and installation
