NO. 3

NO. 2

NO. 1

NO. 3

The Plate Assembly Tables are three variations on a theme informed by foundational studies of physical and visual hierarchy. The collection explores proportion and space through the arrangement of simple planes, creating a dialogue between forms.

Material & Finish

Constructed from 3/8" brass or aluminum plate and assembled with mechanical fasteners, the tables celebrate the inherent character of their materials.

Special Notes

Over time, the brass develops a rich patina, while the aluminum remains bright and understated.

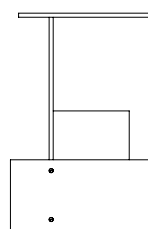

Lead Time

14 - 16 Weeks

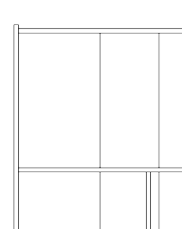

Starting List Price

Aluminum - \$5,800

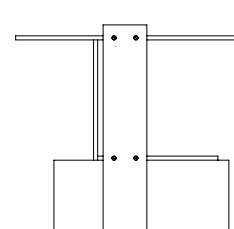

Brass - \$6,800
