

STRATA DESK
EXECUTIVE

Strata is an elevated synthesis of materials at its most elemental. Hardwood surfaces are joined by vertical steel rods to create a rigid architectural framework. External rods celebrate the unique construction, while brake-formed steel panels form a captive interior

Material & Finish

Extensive standard finish options available for the wood, rods and panels create a myriad of possible combinations ensuring each made-to-order piece compliments its space perfectly. The single pedestal design houses a file drawer below a standard drawer and a thin pencil drawer beneath the work surface

F—S

Special Notes

Front panels can be perforated or non-perforated. Integrated power grommets are available upon request

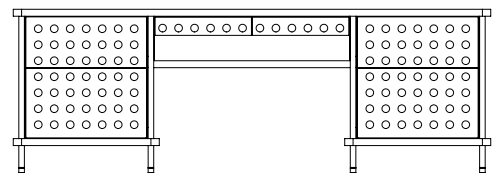

Lead Time

16 - 18 Weeks

Starting List Price

\$22,000

810 Humboldt Street, Suite 2J
Brooklyn, New York 11222

Standard Dimensions

88.5" L x 30" W x 29.5" H
