

STRATA NIGHTSTAND

In an elevated synthesis of materials, hardwood surfaces are joined by vertical steel rods to create a rigid architectural framework. External rods celebrate the unique construction, while a brake-formed steel drawer front offers concealed storage

Material & Finish

Extensive standard finish options available for the wood, rods and panels create a myriad of possible combinations ensuring each made-to-order piece compliments its space perfectly

Special Notes

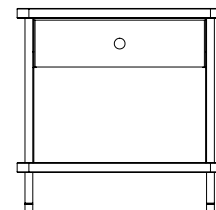

Drawer front can be fully perforated or have a single hole finger pull as shown. inquire for integrated power options
