## PRONG

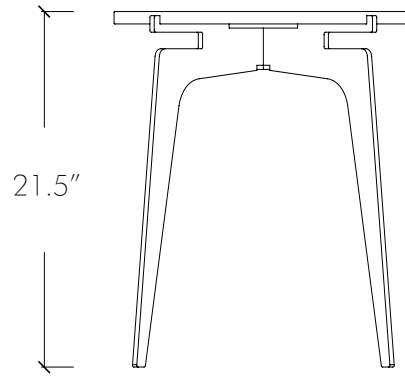

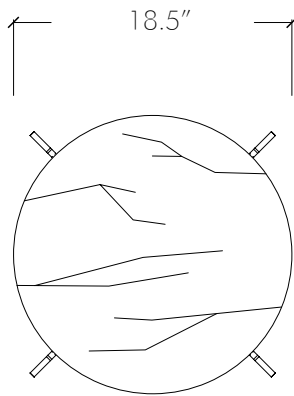

### Side Table

in Blackened Steel  
& Grigio Carnico

Italian and Turkish marbles set atop its metal base, the Prong collection evokes the image of fine jewelry complete with a precious stone resting above its pedestal.

Through its reinterpretation of a classic geometric aesthetic, the Prong offers a dynamic interplay of round contours intersecting with long delicate legs. Base and hardware finishes available in black steel, brass, copper, and nickel.

All Gabriel Scott pieces are handmade in Canada.
