G4 / 12v / 1.2w / 2700k / dimmable LED, transformer provided  
Maximum Fixture Wattage: 33.6w

 **UL**  
UL, cUL (120V) Certified

Inspiration

Cherry Bomb was born of Lindsey's obsession with the ephemerality of the Spring-blossoming Japanese trees lining grand boulevards around the world. She has always been captivated by the achingly beautiful contrast between the short-lived whisper-pink flowers and the trees' dark, gnarled limbs, which seem to have a profound story to tell.
