Specifications

DIMENSIONS

Height: 14in / 36cm
Diameter: 15in / 38cm
Minimum Drop: 21in / 53cm
Weight: 10lb / 4.5kg
+/- 1in Variation to be expected

SUSPENSION

Ships with 36in or 72in stem, can be cut to length on site

CANOPY

Ø5in x H4in Fluted canopy

MATERIALS

Cast bronze, hand-blown glass

BULBS

E26 / 110v / 6w / 2700k / dimmable LED globe
E27 / 220v / 6w / 2700k / dimmable LED globe
Maximum Fixture Wattage: 60w

UL, cUL (120V) Certified

Inspiration

This series reimagines the 16th-century caged glass lampioni of Murano. Capturing the moment between containment and escape, inhale and exhale, cushiony mouth-blown glass strains against and surges through a rigid, but softly rounded, sandcast bronze cage. Each becomes an expression of balance between structure and suppleness, evoking the human body and breath.
