WORKSTEAD

TRELLIS PENDANT

hardwired

Description

TRELLIS is a sculptural pendant designed to balance geometry and luminosity for interior and exterior spaces. The exterior is clad in richly patinated oxidized copper with articulated copper banding, while the interior glows with hand-polished satin copper, protected by four planes of glass. At its heart, an oversized matte porcelain globe casts a soft, ambient light—enhanced by the gentle reflection of its copper surround.

Hardware Finish

Exterior Finish Oxidized Copper
Interior Finish Satin Copper

Dimensions

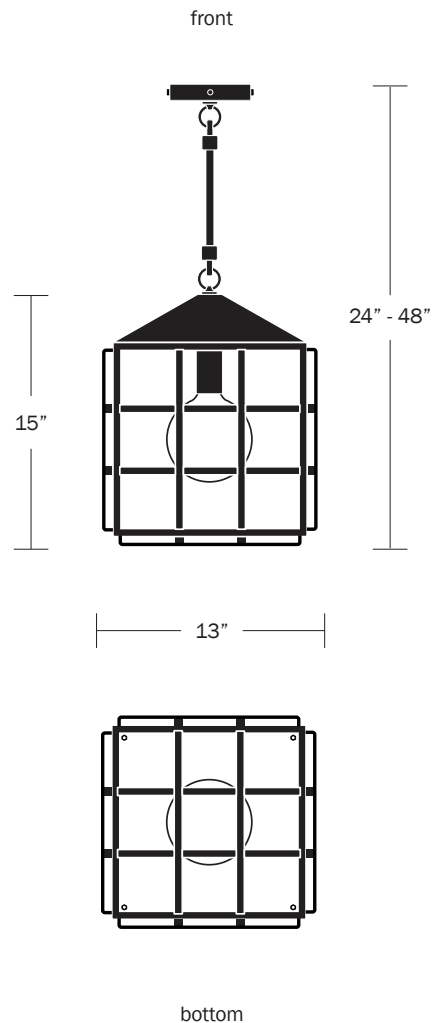

Overall Height Small - 24"
Medium - 36"
