

Fiber Sconce

The Fiber series was inspired by the warmth of rice paper pendants. Combined with nautical materials, and connections, the elemental construction uses raw fiberglass discs, illuminated by blown glass bowls. Each component simply rests in another, which creates a natural ease between materials.

Materials

Steel or Brass
 Polished or Satin
 Blown Glass
 Fiberglass

Specs

1 G9 socket, max 60W
 4.5W LED bulb included
 Dimmable, 120V, UL approved
