Rodin Sconce

10L X 7.5W X 5D INCHES

EACH SCENCE IS UNIQUE AND SIZE WILL VARY SLIGHTLY
CERAMIC, GLAZE, METAL, LIGHTING COMPONENTS

customization available upon request

Rodin Sconce

A highly textured ceramic shell floats off the wall providing distinct dimmable back lit illumination. No two sconce faces are exactly the same.

The Rodin sconce is illuminated by a 120V AC direct drive led module with no external driver needed. The sconce provides smooth full range dimming and is compatible with most Triac and ELV dimmers.

DIMENSIONS

10L x 7.5W x 5D inches (size varies)
