HARLOW

Chandelier

GABRIEL SCOTT
EST 2012

HARLOW

Large Chandelier

1/5

Elegant sculptural light-fixture inspired by jewelry design featuring a mold-blown glass gem in a chic metallic setting to create an asymmetrical starburst of light.

HARLOW is available in various color ways, and held in a metallic frame referencing a prong setting, the alabaster glass makes for a beautiful diffuser of soft light, while the prong-inspired hardware adds glamour to each fixture.

All Gabriel Scott pieces are handmade in Canada.
