

Archipelago Surface

Handcrafted in USA

The Archipelago collection creates geometric chandeliers utilizing an expandable structure. Form and function collide in a celebration of the Arc by utilizing it's structure as both horizontal spacing as well as vertical suspension. The framework is topped off with bent glass domes and blow glass globes.

Fixture Dimensions

24.5" L x 22" W x 4" H

Finishes

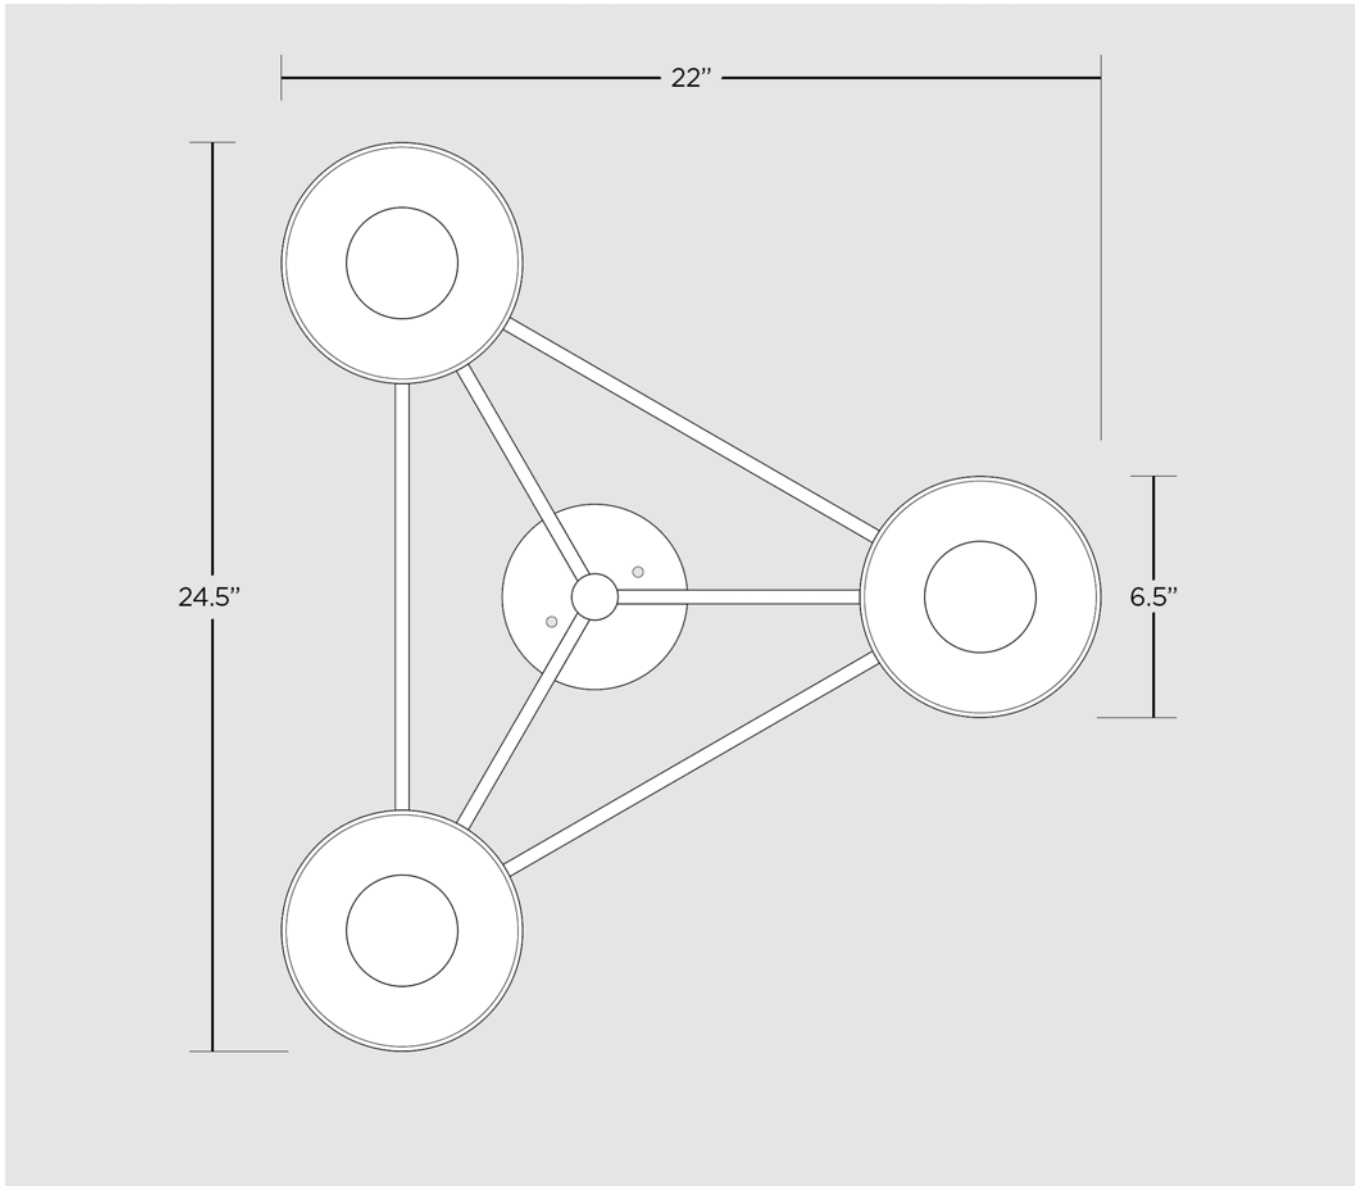

Available in any Allied Maker finish

Materials

Brass, Glass

Archipelago Surface

Overall Pendant Size

24.5" L x 22" W x 4" H

Canopy Size

5" Ø x 2" H

Glass Dome Size

6.5" Ø x 2.125" H

Glass Globe Size

3" Ø

Tube Diameter

0.375" Ø

Lamping

3x 3.5W G9 LED

40W Equivalent

2700K / 80 CRI / 350 Lumen

G9 Bi-pin Base / Dimmable / 120 Volt

Certifications

UL and CE Certified

Suitable for damp locations
