

Archipelago Surface Large

Handcrafted in USA

The Archipelago collection creates geometric fixtures utilizing an expandable structure. Form and function unite in an expression of gravity and structure by utilizing the arc as both horizontal spacing and vertical suspension. The framework is topped off with bent glass domes and blown glass globes assembled in Allied Maker's signature style.

Fixture Dimensions

36.25" L x 32.25" W x 4" H

Finishes

Available in any Allied Maker finish

Materials

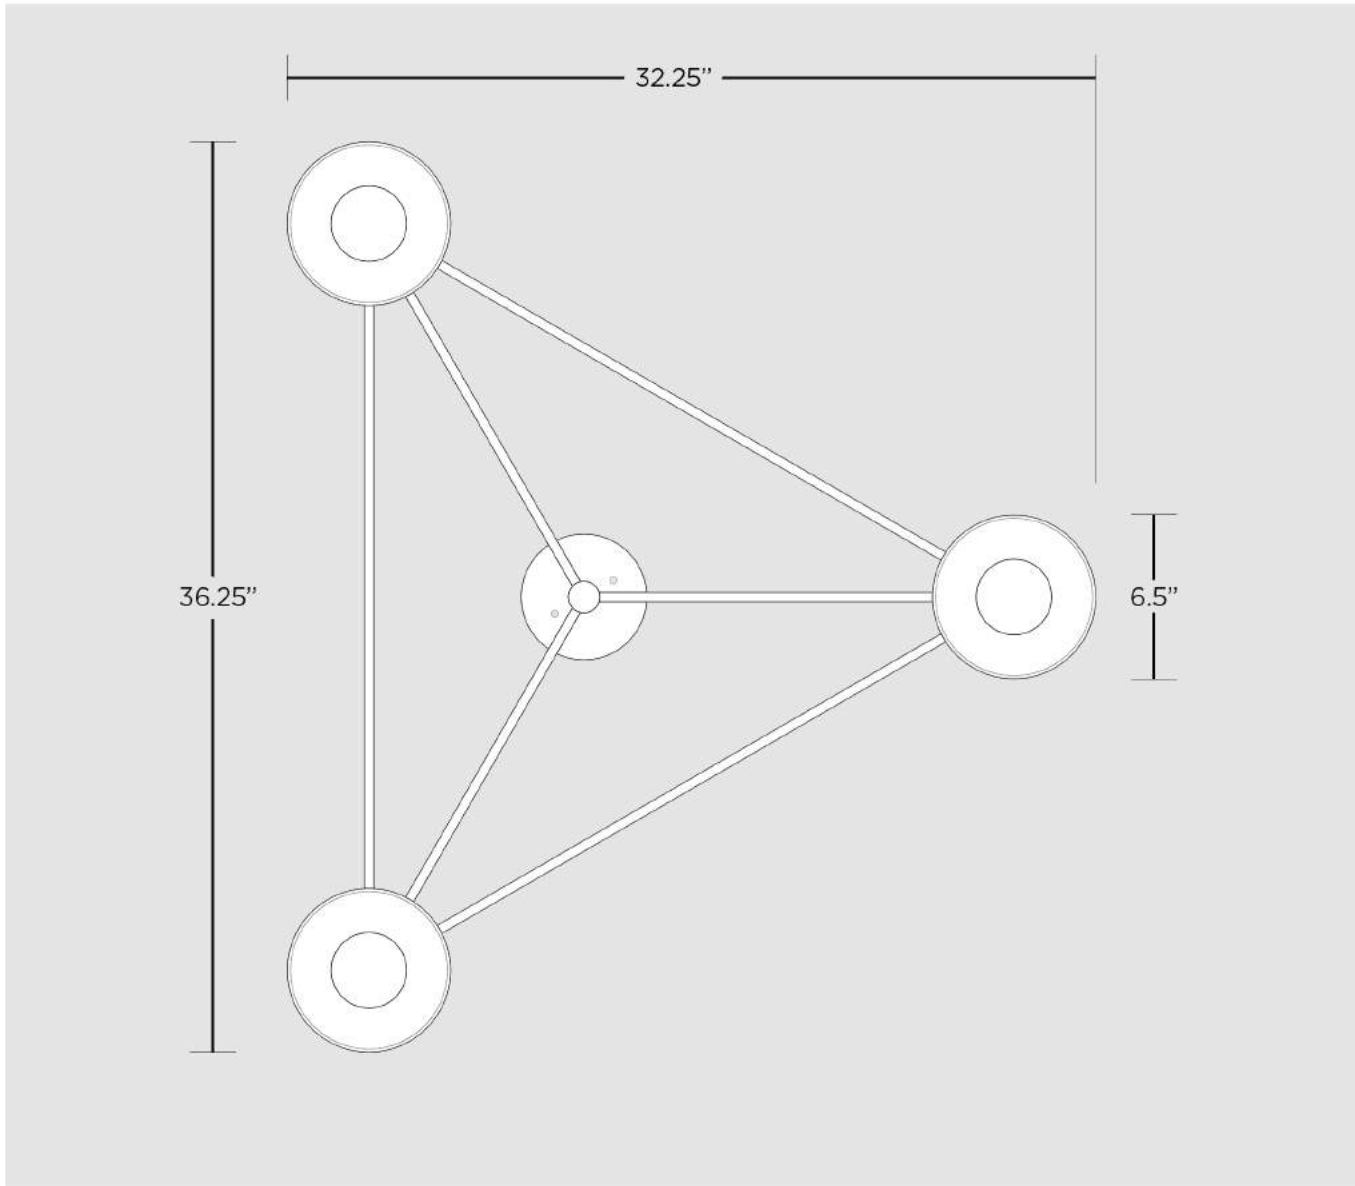

Brass, Glass
